	CIP						
1.01	Develop the proposed Kīhei Transit Hub, with adequate space for parking and room for expansion and interconnected with proposed multimodal paths in the area.	CIP	Medium	Mid	DOT	10,000	County, State, Federal
1.02	Develop an additional transit hub near Mā'alaea to serve as a transfer station between the south and west sides of Maui, reducing congestion and encouraging public transit ridership.	CIP		Long	DOT	TBD	County, State, Federal
1.03	To increase mobility options and reduce congestion in South Maui, complete the construction on the Kīhei North-South Collector Road and Multi-Use Path including the sections between East Waipu'ilani Road and Ka'ono'ulu Street, East Welakahao Road and Halekuai Street, and the section connecting Kanani/Auhana Roads to Līloa Drive.	CIP	High	Mid	DPW	61,000	County, State, Federal

Rob note: KMCP said: Plan, design and construct appropriate sections of a new North-South Collector Road, from Uwapo Road to Keonekai Road

Rob note: the 2000 and 2002 developments prevent the segment from Kanani/Auhana to Liloa; probably all that can be done is small improvements to Auhana

Bud, citing 2003 letter: As a number one priority... a road running parallel to and mauka of Piilani Highway...

The Kealia Pond bypass would be our third priority

TOD
