Aloha,

I am writing to request that you set aside the two parcels in question for open space / park space for Maui Meadows and Wailea residents. Once it's developed, all hope is gone for the opportunity to preserve some nature for the present and future generations.

I have lived on Maui since 1976. I have seen mass development change the island. Please use this golden opportunity to save some of the aina for the people, undeveloped and available for recreation.

Thank you,

Dechen (Mary) Groode
