AGENDA ITEM: C.1) Subarea 1: Mā'alaea/Keālia

DATE RECEIVED: 8/18/2023 via email

Hello,

I've maintained an interest in Maalaea since I was a child growing up in my grandfathers home back in the '50s. I'm concerned about the future of the Maalaea Mauka Pohakea area and its impact on the rest of Maalaea, including the beach and reefs. Please make recommendations for this area to be managed as Open Space, and allow efforts to prevent wildfires and erosion.

Mahalo,

Frank Story
