Dear CPAC

Final decisions are being made about your recommendations for future growth areas in Maui. Please designate the Ma'alaea Mauka/Pohakea lands as Open Space rather than Ag. This is an extremely high wind, fire prone area that should be re-evaluated in light of more extreme weather conditions. Please send a clear message that this land is best managed for Open Space to help reduce wildfire, flooding, and erosion.

We don't want another fire or flood like we've had in the past!
