Dear South Maui CPAC,

My name is Jonah I'm a resident born and raised on Maui and I'm emailing you today to urge you to designate the Mā'alaea Mauka/Pohakea Watershed Lands, owned by Hope Builders, as Open Space rather than Agriculture. An Open Space designation will allow for specific management to reduce wildfire hazard and erosion control which would protect Mā'alaea Harbor and Mā'alaea Bay. It is clear that now more than ever it is important to protect Maui from further wildfire and erosion risks. Please consider the impacts of further development on this land, Mahalo
