Dear CPAC

Final decisions are being made about your recommendations for future growth areas in Maui.

Please designate the Ma'alaea Mauka/Pohakea lands as Open Space rather than Ag. This is an extremely high wind, fire prone area that should be re-evaluated in light of more extreme weather conditions. Please send a clear message that this land is best managed for Open Space to help reduce wildfire, flooding, and erosion.

Let's try and prevent another major lose of live and property.
