Aloha CPAC Members:

Final decisions are being made about your recommendations for future growth areas in Maui. In light of the recent fire tragedies in our communities, your decisions about land use are more important than ever.

Please protect our 'aina and designate the Ma'alaea Mauka/Pohakea lands as Open Space rather than Ag. This is an extremely high wind, fire prone area that should be re-evaluated in light of more extreme weather conditions. This land is best managed for Open Space to help reduce wildfire, flooding, and erosion.

Mahalo nui loa.
