AGENDA ITEM: C.1) Subarea 1: Mā`alaea/Keālia

DATE RECEIVED: 8/18/2023 via email

Dear CPAC:

Please designate the Ma`alaea Mauka/Pohakea lands as Open Space rather than AG. As you know, this area is extremely windy and dry with high voltage power lines up the hills. In light of the extremely tragic fires, particularly in Lahaina, this area is a critical staging area to fight and control fires. Also, erosion of Ma`alaea Bay has become a major issue. This Open Space can be used to control erosion and sedimentation of the Bay. We must protect our beautiful island.

Thanks,

Sharon Wright
