

Name: Ania Wood

Agenda Item: B.1 Section 3.4 | Areas of Change

Date Received: 9/12/23 via email

Please return the former mega mall site to Residential designation. Please return the Kihei Mauka area to open space and agriculture.

Please fix the drainage problems at Kūlanihāko'i before any further development. With climate change you must know that more flooding is inevitable.

Thank you,

Ania Wood
