Aloha, Please restore the zoning back to residential and stop trying to build a mega mall in N Kihei please. No need!

Our island needs housing and we have empty malls in Kahului! Use those buildings!

Listen to the people, not the developers unless they are helping with the housing crisis for our workforce housing.

We are losing our kanaka and other island families due to the lack of housing.

Don't you think there's enough traffic on the highway?

The crises we are in doesn't call for a mega mall that is in a flood plain.

Keep working towards solutions for those living here not corporate interests!

Also, please return the Kihei Mauka area back to open space and agriculture. This is vital for the health of the 'āina.
