Policy Review Text Only: Goals 2.1 through 2.4

Daniel Kanahele

9/19/23

Page 32- Phrase in last sentence of first paragraph changed to read: "walkers to joggers", in place of, "walking to running"

Page 35- Second sentence of first paragraph changed to read: "South Maui's unique communities, family-oriented atmosphere, and wahi kūpuna interweave to create a distinct sense of place.

Page 35- Change last sentence of third paragraph to read: "Communities will be built in areas that limit hazard risk, avoid areas that have a high exposure to hazards and be designed to maximize resilience."

Page 40 -Change fourth sentence in first paragraph to read: "Flood and drainage facilities help convey rainfall flows to reduce flood risk to the community, 'āina and kai.

Page 50- Change second sentence in second paragraph to read: " It is important to steward these resources because they create a physical link to our past, as well as a bridge to our future, and can contribute to the community's health, livability, and overall quality of life.
