AGENDA ITEM: C.1) Subarea 1: Mā‘alaea/Keālia

DATE RECEIVED: 8/29/2023 at 10:52pm via email

I am emailing you today to urge you to designate the Mā‘alaea Mauka/Pohakea Watershed Lands, owned by Hope Builders, as Open Space rather than Agriculture. Open Space designation will allow for specific management to reduce wildfire hazard and erosion control which would protect Mā‘alaea Harbor and Mā‘alaea Bay.

Thank you-

John Starmer
