Aloha South Maui CPAC Members!

1. We are writing to demand the return of the former Mega Mall site to the Residential designation. We in south Maui do not need more commercial shopping centers. It's enough already

2. We also Ask the South Maui CPAC to return the Kihei Mauka area to Open Space and Agriculture. We do not support the continuing industrialization of our home. Again, enough already!

Mahalo for your time,

Jonathon Orlando
