I'm a native Hawaiian born and raised on Maui and a Kihei resident for the past 22 years.

I am pleading to return the former Mega Mall site to Residential designation. And, return Kihei Mauka to Open Space and Agriculture.

My family and I live off Kaonoulu and experience constant flooding almost every time there's a good amount of rain upcountry.

We don't need another mall especially when there are already several empty ones in Kahului. What we need is housing for our residents asap!

Mahalo,

Kim McEnaney
