I am opposed to anymore business, industrial or mega mall development in Kihei. What we need now is correctly designed housing areas for the Kihei. Kihei has an abundance of vacant shops and store fronts that are not being filled. Being born and raised on Maui I have seen Kihei from a barren place to being developed by companies who have no interest in what Kihei is to look like in the future. We need to correct all the wrong that has been down in Kihei and make it a place people want to come to visit. Mahalo, Rene Long
