

Name: Renee Richardson

Agenda Item: B.1 Section 3.4 | Areas of Change

Date Received: 9/12/23 via email

I am writing to respectfully request that the former Mega Mall site be returned to the Residential Designation. I further request that Kihei Mauka be returned to the Open Space and Agriculture Designation. The arguments made, over the last decade, regarding the traffic and quality of life impacts on South Maui are still valid today and should be considered in these decisions.

Mahalo,
Renee Richardson
Kihei Resident
